	The supply and installation of the service cable for all connection fees from the nearest joint of supply is the responsibility of the Developer/Customer including upgrades.									
	For all commercial complex connection tariffs where the demand of the complex is to exceed the NMD, the development shall be liable for additional engineering contributions and charges to bulk supply									
	Commercial complex means only mini factories, malls and office complexes where there are existing meter rooms or required meter rooms									
	For where there is/are retrofits to be done, it remains the Customer's responsibility to install the baseplate of the prepayment meter next to the distribution board
