

PERFORMANCE PLAN
DEPUTY CITY MANAGER INFRASTRUCTURE SERVICES
UMHLATHUZE MUNICIPALITY

This plan defines the Council's expectations of the Deputy City Manager Infrastructure Services (DCM IS) in accordance with the Deputy City Manager Infrastructure Services' performance agreement to which this document is attached. Section 57 (5) of the Municipal Systems Act which provides that performance objectives and targets must be based on the key performance indicators as set out the Municipality's Integrated Development Plan; Section 53 of the Municipal Finance Management Act, and particular, but not limited to Chapter three (3) of the Municipal Performance Regulations for Municipal Managers and Managers Directly Accountable to Municipal Managers, 2006 (Regulation No. R805, dated 1 August 2006) which provides that a Managers' agreement must be linked to the measurable performance objectives approved in the Budget, the IDP and its Service Delivery and Budget Implementation Plan and determined in agreement with the City Manager (as representative of Council).

There are 6 parts to this plan:

1. A statement about the purpose of the position.
2. Performance review procedure IS
3. Functional alignment of the individual performance scorecard to the Integrated Development Plan of the organisation
4. Score card detailing key performance areas (KPA's) and their related performance indicators, weightings and target dates.
5. Competency Requirements
6. Consolidated score (Performance Assessment Calculator)

The period of this plan is from 1 July 2024 to 30 June 2025.

Signed and accepted by the **Deputy City Manager**
Infrastructure Services (DCM IS).....

Date: 31 July 2024

Signed by the City Manager (CM) on behalf of Council:

Date: 31 July 2024

1. POSITION PURPOSE

To perform all the duties and functions of the Deputy City Manager Infrastructure Services (DCM IS) as required by the relevant legislation or reasonably stipulated by the CM, to be accountable for the execution of all the directions and resolutions of the Municipality, the co-ordination of all the activities of the Municipality, to be accountable for the general supervision, control and efficiency of the Department: Infrastructure Services and to ensure compliance with all of the key performance areas as set out in the contract of employment between the Council and the Deputy City Manager Infrastructure and Technical Services.

2. PERFORMANCE REVIEW PROCEDURE

1. A performance review will be held on a quarterly basis with a formal performance review bi-annually in December/January and in June/July after the end of the financial year with the understanding that review in the first and third quarter may be verbal if performance is satisfactory.
2. The CM may request input from agendas, minutes and "customers" on the DCM IS's performance throughout the review period. This may be done through discussion or by asking "customers" to complete a rating form to submit to the evaluation panel for consideration. Customers are people who are able to comment on the DCM IS's performance since they have worked closely with him on some or all aspects of his job.
3. DCM IS to prepare for quarterly performance evaluation by providing a brief description of achievements, including reference to evidence, supporting documentation (documents, reports and/or resolutions with dates of submission) in the relevant column in section 4 (KPA scorecard below). Achievements to be reported on cumulatively.
4. **DCM IS to provide a rating for himself for the mid-year- and final assessment against the agreed objectives in the column provided in the KPA scorecard.**
5. DCM IS and Evaluation panel to meet to conduct formal performance rating and agree final scores. It may be necessary to have two meetings i.e. give DCM IS scores and allow him time to consider them before final agreement. In the event of a disagreement, the evaluation panel has the final say with regard to the final score that is given.
6. The Evaluation panel to provide ratings of DCM IS's performance against agreed objectives as a result of portfolio of evidence and/or comments and "customer" input.
7. Initially the scoring should be recorded on the scorecard then transferred onto the consolidated score sheet.
8. Any reasons for non-compliance should be recorded during the review session by keeping of minutes of the review session.
9. The assessment of the performance of the DCM IS will be based on the following rating scale for KPA's:

Terminology	Description	Rating Level
Outstanding Performance	Performance far exceeding the standard expected of the DCM IS at this level. The appraisal indicates that the DCM IS has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.	5
Performance significantly above expectation	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the DCM IS has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.	4
Fully Effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the DCM IS has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.	3
Performance not fully Effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the DCM IS has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan.	2
Unacceptable Performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the DCM IS has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The DCM IS has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.	1

10. Only those items relevant for the review period in question should be scored.
11. The assessment of the performance of the DCM IS on all Competencies will be based on the rating scale as reflected in section 4 of the performance plan.
12. The CM and DCM IS to prepare and agree on a personal development plan (PDP) for addressing developmental gaps.
13. The CM and DCM IS to set new objectives, targets, performance indicators, weightings and dates etc for the following financial year.
14. Poor work performance will be dealt with in terms of regulation 32 (3) of the Performance Regulations gazetted in Notice No 805, published on 1 August 2006.
