

**CALL FOR COST PROPOSALS – “AS BUILT” BUILDING PLANS FOR  
UNREGISTERED PORTION 28 OF ERF 11488, RICHARDS BAY  
(AQUADENE LIBRARY)**

Sir/Madam

Quotations are hereby invited from suitably qualified, experienced and registered architectural professionals to finalise “as built” building plans in compliance with the Building Regulations and Building Standards Act, 1977, for existing structures and buildings located on unregistered Portion 28 of Erf 11488, Richards Bay.

As built plans must be accompanied by:

- All plans, elevations and sections as required in terms of the Act;
- an engineering certificate to certify the structural stability of all structures; and
- a plumbing certificate of compliance.

The buildings form part of the Aquadene Library in Via Ammannia, as shown below:

Queries relating to the above could be directed to Mrs. Thea Jordan, Manager City Development (Development Administration) at email [jordant@umhlathuze.gov.za](mailto:jordant@umhlathuze.gov.za) or telephone number 035 907 5427.

**Quotations must, inter alia, be accompanied by proof of professional registration with the South African Council for Architectural Professionals (SACAP).**
