QUESTIONS OF CLARITY AND COMMENTS

	QUESTION	ANSWER
1.	<p>THANDI MAKHATHINI - WARD 18</p> <ul style="list-style-type: none"> •She advised the council about the absence of toilets at Dpt of Home affairs Empangeni, and she told the council that the situation is even worse as people are relieving themselves in public. •Is there a budget to build a hall Library and walkways in Matshani this financial year? •Bore-hole project in remote area should be resumed during the drought period because the streams are still alive in Rural Communities . 	<ul style="list-style-type: none"> •The issue is noted

2.	MR NKOSI ENSELENI <ul style="list-style-type: none"> •Which part of indigents receives 6 kilolitres for free? Since they pay for water constantly even when they consume less than 6 kilolitres •Are the Community halls built for the rest of the community or for churches only? 	Municipal policy says, indigents households receipts 6 kilolitres of water, if one exceeds that 6 kilolitre that when we start to bill and the municipality doesn't close the water same time, we wait up to 14 days before we switch of and Nseleni pressure is powerful than other townships. It Is Indeed concern that halls are occupied by churches but churches are for the community, it an issue that the council will find a way to work around and have everyone satisfied
3.	MR MBATHA – WARD 24 <ul style="list-style-type: none"> •When will the hall be built in Hillview •There are no light around Qala kabushabusha 	The issue of street light in hillview is covered on the budget 2015/2016
4.	VUSI ZUNGU- WARD 6 <ul style="list-style-type: none"> •What is the municipality doing with houses that have broken mitres? •What is municipality is doing with the individuals that jump pipes to avoid the bill? 	The project is underway to change all pipes around uMhlathuze and repair all licks and any form of water wastage of even the issue of mitre bypass is cover on that project. If you know anyone who jump pipes please report to the municipal offices
5.	PHILIPS STEINBERG – WARD 26 <ul style="list-style-type: none"> •When will the municipality build a sport field in Aquadene. •when will the municipality consider the issue of homeless citizens living in the streets without homes? 	We have a budget to put a bulk services in Aquadene, and of cause the municipality can't do everything on the same time not that your concerns are in ignorance
6.	MANDLA NTOMBELA - WARD 11 <ul style="list-style-type: none"> •All the Induna's must have the sport field in their communities since the land is too wild form one sport field, one field won't be able to accommodate the rest of the community. 	<ul style="list-style-type: none"> •Noted
7.	FALAKHE NTOMBELA – WARD 13 <ul style="list-style-type: none"> •When the ward committee members will get the increment on their stipend? 	The stipend for ward committees does not form part of the budget, but the municipality has the budget for ward committees stipend
8.	SHILA MNGOMEZULU - WARD 9 <ul style="list-style-type: none"> •Residents situated in Dumisani Makhaye are billed about R410.00 where else there should not be paying because they occupy R110 000.00 valued houses. •Request for increase on ward committees stipend 	The municipality has the budget for ward committees Anyone that is place by the municipality and that household follow the indigent's terms and we still bill them, Please let them come to CFO office and explain the issue.
9.	VUSUMUZI KHUZWAYO – WARD 7 <ul style="list-style-type: none"> •What is the mayoral strategy to develop Nseleni community and remove all the squatter camps •Is there a strategy in place to make sure that businesses around the City of uMhlathuze benefit more from this budget 	Nseleni is on the budget for replacement of pipes and there is more that the municipality is planning for Nseleni and the Common issue is that many people there are not permanent residents of Nseleni. There is a structure in place that will help the local businesses to benefit on 2015/2016 budget

10.	THOBEKA ZUMA – WARD 6 <ul style="list-style-type: none"> •The request for disable citizens to be included on the budget there since there are in need of wheel chairs and whole other accessories that disables might need. •The disables also need a centre. 	<p>The budget includes disable people perhaps it not highlight in the presentation, and working with uMfolozi municipality we will build a founder mental structure because uMfolozi has better experience than we have when dealing with disable people</p>
11.	SIPHO NHLONGO – WARD 13 <ul style="list-style-type: none"> •Who pay for water that is used by informal businesses at the ranks to wash cars and taxes? •There is an issue of refusal that is dumped be behind the houses and in public open spaces, what is the municipality doing about that? 	<p>The process for installation of mitres on informal businesses site like car wash is underway. Now for every drop of water they use they will have to pay.</p> <p>The communities will be taught about the BACK TO BASICS method it might help to solve the problem.</p>
12.	MDUDUZI DLAMINI WARD10 <ul style="list-style-type: none"> •What is the form of method that the municipality will be using or is using to place the refuse skips around the rural communities? •Which part of rural communities the municipality is targeting as the Electrifying contract will take place in rural areas 	<p>We count the houses and place the skip prior to that calculation</p>

1.	<p>Cindy</p> <ul style="list-style-type: none"> Is water losing management about water leaks or unaccounted for water that is used in the communities? And the service provider is going to be dealing with those issues. In there any provision made to look at the repair and upgrade in Bullion Boulevard. 	<ul style="list-style-type: none"> Water wastage takes the major role on water losses, it is much of municipal responsibility to teach the public about water preservation. The project of searching of leaks water is underway, using high tech specialised camera that goes inside the pipe and check for leaks. Also project to install mitres in all residents that receives water from the municipality is in progress, at the moment we still at kwadube installing mitres. The repairs and upgrade at bullion boulevard road will take

		place on this next financial year.
2.	Mbulelo •In the operational budget, how much is paid for consultants?	•The municipality hire consultants for specialised projects that require a special skill that the municipality doesn't have. Even when we can add the consultant's once off remuneration to the Salaries percentage it won't reach the maximum rate of 30%, so the municipality can still function without full use of consultants.
3.	Peterson (She had her question covered by Cindy)	
4.	Michael •The have municipality to Invest on alerting the residents about water preservation and the situation at hand.	•The municipality has a budget this year working strategic planning to have workshops and teaching the public about water preservation, and the counsellors will be part of that program, pamphlet will be issued out and flyers arguing people to save water.
5.	Joe Muller •Does the Budget cover upfront Engineering Contributions payment	•The calculation of engineering contribution will be inclusive on cost of material and the period is
