QUESTIONS OF CLARITY AND COMMENTS

	QUESTION	ANSWER
1.	Wanda Mdalose - Ward 31 <ul style="list-style-type: none"> We haven't seen any considerations for a stipend increase for the ward committee members in the budget. Trucks are not delivering sufficient water. The Skips are not collected on a continuous basis. 	<ul style="list-style-type: none"> The CFO will make an assessment to see how much of an increase you are eligible for however under legislative requirements. 261 water tankers have been placed. The community of Ntambanana also needs to understand that the expenditure incurred in Ntambanana exceeds any

	<ul style="list-style-type: none"> Furthermore please make enough arrangements for transportation of community to attend these public meetings. 	<ul style="list-style-type: none"> revenue we collect from them; as a result we suffer losses. Noted.
2.	Banda - Ward 7 <ul style="list-style-type: none"> The municipality has done a great job with the road construction. However we don't have sufficient skips. 	<ul style="list-style-type: none"> Noted. Noted, an official will be sent to address the issue.
3.	Sibusiso - Ward 22 <ul style="list-style-type: none"> How do you measure 6kl of water in simple terms? Do you have any campaigns or initiatives to teach people in uMhlathuze on how to save water? 	<ul style="list-style-type: none"> 6kl is equivalent to 240 of 25 litres, breaking it down, its 25 litres x 240 = 6 000 litres. Yes we have a campaign that is currently continuing as you can see we have also placed posters in different suburbs promoting this initiative.
4.	Mpanza - Ward 17 <ul style="list-style-type: none"> Municipal Services are lacking in this ward, more especially the sanitation system. Our roads need expansion More concerning is that our street lights are not working The ground project has come to a standstill, please follow up. 	<ul style="list-style-type: none"> Noted, an assessment will be done.
5.	Ngisi Biyela - Ward 33 <ul style="list-style-type: none"> We request feedback on projects such as housing and road construction. 	<ul style="list-style-type: none"> Noted, it should also be advised that issues such as housing are the Departments responsibility however we will consult with them to ensure transparency.
6.	Mdu Dlamini - Ward 10 <ul style="list-style-type: none"> The electrical installation was 50 metres and we are simply saying it's not enough. The quality of equipment used by contractors is not in good 	<ul style="list-style-type: none"> The issue around plumbing is that the community is tampering with the pipes installed by the municipality, which then causes the pipes to burst as a result of the pressure of water.

	standing which sometimes contributes to water losses because those pipes are fake but we bear the burden of paying high municipal bills.	
7.	Sbonelo Mthethwa - Ward 13 <ul style="list-style-type: none"> The Port Dunford beach has been a major issue for safety reasons and we thank you for the upcoming project. We need more trucks for road resealing's to speed up the project. The sports ground is very small and cannot accommodate us. 	<ul style="list-style-type: none"> Noted
8.	Mama Ngema - Ward 17 <ul style="list-style-type: none"> When can we apply for the indigent programme? We need meter cards to purchase electricity and lately the municipality has been complaining that the machine producing such cards has since malfunctioned, please do something to remedy the situation. Please consider opening a rehab centre nearby for us. 	<ul style="list-style-type: none"> Indigent applications are done at your discretion however approval is subject to you meeting certain criteria. Noted, Finance will look into it.
9.	Mkhwanazi - Ward 8 <ul style="list-style-type: none"> We don't have high mast lights 	<ul style="list-style-type: none"> High mast lights are budgeted for in 2018/19 budget.
10.	Khumalo - Ward 24 <ul style="list-style-type: none"> We are experiencing high vehicle collisions at the intersection Requesting humps There's a place called dark city in our ward that needs skips 	<ul style="list-style-type: none"> Roads section will look to that intersection and speed humps. Skips are in this current budget and the 2018/19 draft budget. Waste management will attend to Dark City.

11.	Happiness - Ward 24 <ul style="list-style-type: none"> In future please arrange meetings earlier as we have to attend to domestic errands after work. 	<ul style="list-style-type: none"> Noted
12.	Mzowakhe Buthelezi - Ward 18 <ul style="list-style-type: none"> More and more households are being built however we don't have electricity power to accommodate this increase in demand. 	<ul style="list-style-type: none"> Noted, we will consult with Eskom as the area is under their jurisdiction.
13.	Prince Mthiyane - Ward 1 <ul style="list-style-type: none"> We are still waiting for the formal training that was promised to us. 	<ul style="list-style-type: none"> Most certainly this will be discussed and a response will be given soon.
14.	Musa - Ward 29 <ul style="list-style-type: none"> Meter readers are sometimes estimating our water consumption. We did not receive an insert on the budget so as to make our own observation than that presented to us. 	<ul style="list-style-type: none"> Meter readers sometimes face difficulties when they find that you lock your gates, leaving them to make estimations, in other times you will find that gates are freely open however dogs and other dangerous pets keep them from accessing your homes. Noted, an insert will be issued to representatives to issue them out.
15.	Sifiso - Ward 12 <ul style="list-style-type: none"> Our ward refused to pay for water and you have not yet responded to that. 	<ul style="list-style-type: none"> We have written a letter to the MEC to make an intervention on the matter at hand or perhaps a guideline as to how we should go about resolving this issue, but I can assure that you will be getting feedback as soon as we are responded to by the office of MEC.

QUESTIONS OF CLARITY AND COMMENTS

	QUESTION	ANSWER
1.	Nobuhle Nsele - Ward 5 <ul style="list-style-type: none"> We do not have any electricity installations. 	<ul style="list-style-type: none"> Noted

2.	Buthelezi - Ward 5 <ul style="list-style-type: none"> Reconnection fees for services like water and electricity are too high. Enquiring how and when does property valuation happen and why are we not informed about it. 	<ul style="list-style-type: none"> These fees are being charged by the third party utility management services. The reason that people are not informed about it when it happens is because evaluation can be done using aerial view or when a property is being sold in the area. So if you have any queries regarding the evaluation anyone is welcome to come to the municipality to value your house.
3.	Sphelele Mnyandu - Ward 6 <ul style="list-style-type: none"> When the new meters are being installed, is it a new procedure to pay for your own pipes? 	<ul style="list-style-type: none"> Yes, you pay for them separately.
4.	Mthembeni - Ward 6 <ul style="list-style-type: none"> We don't have sufficient drainage pipes. 	<ul style="list-style-type: none"> Noted, stormwater will look into it.
5.	Gogo Mathenjwa - Ward 6 <ul style="list-style-type: none"> I've been experiencing high unusual water charges towards my municipal water bill when I'm only staying by myself. 	<ul style="list-style-type: none"> Since the new pipe replacement project, we've been getting complaints from the community about increased water consumption, therefore we are going to review the impact this project has made on water pressure.
6.	Mam Msibi - Ward 6 <ul style="list-style-type: none"> Concern of street lights not working. 	<ul style="list-style-type: none"> Noted, Streetlights will look into it.
7.	Sphamandla Mncunu - Ward 6 <ul style="list-style-type: none"> The budget doesn't indicate any amount allocated for youth development. 	<ul style="list-style-type: none"> 40% of R517 million Capital Budget is provided for Youth, Women and Disabled people.

ANNEXURE M

	Wi-Fi	<ul style="list-style-type: none"> The project is underway.
10.	Unknown - Ward 7 <ul style="list-style-type: none"> We are not being informed when the water is being cut off. 	<ul style="list-style-type: none"> There are credit control procedures that are followed before making the decision of disconnecting water.
11.	Sthembiso - Ward 7 <ul style="list-style-type: none"> When the pool is being drained the water is not going to the correct drainage systems and causing drainage pipes to overflow. 	<ul style="list-style-type: none"> Noted, however the community is at fault by building homes at the wrong places which causes blockage in the drains.
12.	Mam Khoza - Ward 7 <ul style="list-style-type: none"> Requesting for speed humps 	<ul style="list-style-type: none"> Noted

QUESTIONS OF CLARITY AND COMMENTS

	QUESTION	ANSWER
1.	Genius Bonginkosi Dube - Dube Tribal <ul style="list-style-type: none"> Places like Mpembeni and Mabuyeni are largely affected by the drought. The water in the Tankers is not conducive for drinking. Some pipes are not covered or installed properly underground 	<ul style="list-style-type: none"> The reason why water did not reach some parts is because we decreased the water pressure due to water losses. Water section will look into it. Mr Rheenie Mbatha was instructed to check the pipe located in Endindima.

ANNEXURE M

	causing vehicles to override and damage the pipes resulting in water sprees or leakages.	
2.	Nduna Mpanza - Cebekhulu Obizo <ul style="list-style-type: none"> Water Tankers are not sufficient We don't have access to the Hall keys 	<ul style="list-style-type: none"> We will request Hall supervisors to explain the procedure for hall bookings The issue will be investigated.
3.	Sipho Mkhwanazi - Mkhwanazi South <ul style="list-style-type: none"> Water is not available in some parts of Msasandla area 	<ul style="list-style-type: none"> We will inspect to see if there are any other causes other than water pressure.
4.	Ndunankulu Mkhize - Cebekhulu <ul style="list-style-type: none"> Our Hall was struck by lightning and since then we had no assistance even after I reported the matter at the fire station The Hall needs Refurbishment The Skips are not collected on a continuous basis. Project Managers/Contractors are not introduced to us; sometimes we have disputes with them as a result of the lack of consultation. 	<ul style="list-style-type: none"> We will send officials to assess the hall and compile a report Noted We will follow up on the skips issue and ensure that the community is aware of when the trucks are available for collection Noted, the officials must take note and communicate with Amakhosi before contractors commence work.
5.	Cebekhulu – Mthonzankunzi <ul style="list-style-type: none"> Our electrical cables were stolen Infrastructure is beginning to decay 	<ul style="list-style-type: none"> Electricity will look into it.
6.	Nduna Mgadi - Dube <ul style="list-style-type: none"> The roads are beginning to narrow We don't have gravel roads Wards 12 and 34 does not have electricity Eskom would repeatedly refer us to the municipality 	<ul style="list-style-type: none"> A small part does have gravel road however we will cover other rural roads once we complete a wide area that still needs these gravel roads, therefore it will take some time. 10 Million Has been set aside to purchase a chemical added on gravel road to protect it from rain. We will send officials to check if the area

ANNEXURE M

		is under Eskom or uMhlathuze
7.	Sbonelo Mthethwa - Ward 13 <ul style="list-style-type: none"> Water tankers cannot access our area due to the condition of the roads (Mquzankunzi). 	<ul style="list-style-type: none"> Some roads are under the department however we will make consultations with them to speed up projects.
8.	Anonymous - Kwabhejane <ul style="list-style-type: none"> We have a small bridge which is overflowed by water hence we cannot cross them as there are crocodiles How are we benefiting from the 40% allocated to youth and women? Nseleni dumping site is extremely full What is the purpose of the site if it's always closed? 	<ul style="list-style-type: none"> We will send Senior officials from the relevant section to assess the situation as soon as possible The 40% is not a Grant The youth have an opportunity to obtain funding if they have legitimate and relevant documents to start their own small businesses. Proper registration documents must be presented and a certain criteria will follow for selection. Noted, officials will investigate

QUESTIONS OF CLARITY AND COMMENTS

	QUESTION	ANSWER
1.	Bheki Sibiya - Ward 17 <ul style="list-style-type: none"> He thanked the Municipality for the budget that was presented before him. 	<ul style="list-style-type: none"> Noted

2.	Vumani Mngomezulu - (Ward 30) <ul style="list-style-type: none"> He enquired on what happens to an unspent budget. 	<ul style="list-style-type: none"> The unspent budget is rolled over to the following year.
3.	Mnqobi Mzobe - (Ward 13) <ul style="list-style-type: none"> Customer service is bad at the municipality and the employees are not friendly and helpful. 	<ul style="list-style-type: none"> Noted, a toll-free number was given to them to report such events, so that the municipality can deal with them accordingly.
4.	Nosipho Makhanya - (Ward 13) <ul style="list-style-type: none"> She complained about not having a Community library and hall. Complained about Bursaries not being available to them but only to the officials' children. 	<ul style="list-style-type: none"> Noted, it will be added to the IDP. There is no such thing, if you qualify and meet all the requirements of the job opportunity, you must apply.
5.	Bheki Dube - Ward 15 <ul style="list-style-type: none"> Requested to be employed when projects are being done within the ward rather than employing outside people first. Complained about too much politics when it comes to job hiring. 	<ul style="list-style-type: none"> Noted If there is proof of such, it must be reported to the toll free number.
6.	J. Mbatha - Ward 21 <ul style="list-style-type: none"> He appreciated the instalment of lights and was also happy about the new Gymnasium Park. He then needed clarity and requested that people are taught more about pensioners rebate. Water charges too high. 	<ul style="list-style-type: none"> Noted He was asked to visit the customer relation office for clarity.
7.	Thokozani Dube - Ward 11 <ul style="list-style-type: none"> The budget needs to reflect money put aside for more colleges. Job opportunities are only catering for the youth only 14-35 and not anyone above that category. 	<ul style="list-style-type: none"> Noted, the municipality will try to convey the message to the correct department. Youth is 60% population, which is why when it comes to new things being implemented its best to start with the youth.

8.	B Mhlongo - Ward 11 <ul style="list-style-type: none"> Requested for electricity to be installed. 	<ul style="list-style-type: none"> Noted, someone will be sent to check if the installation should be done by Eskom or the Municipality.
9.	Sabelo Mchunu - Ward 22 <ul style="list-style-type: none"> He enquired if Managers or Supervisors follow-up on work or projects that have been done by the appointed officials. Road maintenance needed. 	<ul style="list-style-type: none"> One of the Batho Pele principles says that officials must put the community first, and there is a Batho Pele committee that has been formed within the Municipality to look into these matters directly. Noted
10.	Bheki Sthole - Ward 15 <ul style="list-style-type: none"> Transformation and sport development needed for the youth especially for sports like Rugby, swimming, cricket etc. 	<ul style="list-style-type: none"> There were referred to an official responsible for that.
11.	Mam Zulu- Ward 16 <ul style="list-style-type: none"> He appreciated the instalment of the new gymnasium park. Complained about not being able to have meetings because there is no hall. 	<ul style="list-style-type: none"> Noted Noted, IDP.

QUESTIONS OF CLARITY AND COMMENTS

	QUESTION	ANSWER
1.	Khulani Cele - FOSKOR <ul style="list-style-type: none"> • Thanked the budget • Clarity on R517 Million on what makes CAPEX. 	<ul style="list-style-type: none"> • Noted • Total CAPEX of R517 Million is for the first year over a three year MTREF Basically some projects are spread over that period.

	<ul style="list-style-type: none"> Our water usage has increased from R40 million to R90 million. 	<ul style="list-style-type: none"> Should you have any objections can put them in writing and its will be attended to by relevant officials
2.	John <ul style="list-style-type: none"> Thank the progress in the pedestrians walk ways. Licencing department needs improvements Quality check needs to be done to avoid Road damages. 	<ul style="list-style-type: none"> We agree that the must be constant monitoring of walk ways. Licensing department is under the department of transport and the Municipality is just an agent of the department of transport but we will liaise with them, we will also purchase new equipment to speed up the process in the licensing department, Licensing department will also be moved into a bigger venue. Noted, we will be stricter in making sure proper qualified contractors are doing the jobs and quality checks are done on continuous bases.
3.	Liza <ul style="list-style-type: none"> Street signs are not clear enough Small amount of urban roads versus rural areas. How much money is owed to Eskom and how much are paying to them. Airport is not in good conditions planes are late or don't come at all. How much is spent on legal fees. 	<ul style="list-style-type: none"> Noted, the Municipal budget firstly looks at the disadvantage areas before looking deeply into the urban areas. The Municipality doesn't owe Eskom because we pay on a 30 day period policy; the government department owes the municipality around 4mil, they get same treatment with electricity getting cut off if their accounts are not paid timeously. Airport will be relocated. This is work in process, and there's a feasibility study being done but they are challenges, we have also identified a site around N2 for relocation of the airport. Legal fees have been reduced by the Municipality only a few cases are left and are being resolved.
4.	Jeffery Mcambi <ul style="list-style-type: none"> Thanked the Municipality for budgeting for Port Dunford beach. What is the strategy to address 	<ul style="list-style-type: none"> Noted There are adverts that warn people

ANNEXURE M

	water loses.	about water lose and water saving methods.
5.	Anonymous <ul style="list-style-type: none"> What are the penalties for contractors who don't complete the projects given to them How much do the officials earn? 	<ul style="list-style-type: none"> One of the solutions is to deduct retention percentage on the total contract value and we are also charging 20% more for those taking long. Officials Remuneration is governed by the Legislation, category B level 6 in Government Gazette which is available to everyone.
6.	Thokozani Mncube <ul style="list-style-type: none"> Budget must specify which ward will get what not generalise collectively. 	<ul style="list-style-type: none"> The budget is specific to Wards however for this presentation projects were grouped.
7.	Andreas <ul style="list-style-type: none"> Security green belt causing daily robbery, uMhathuze to clear out green belts. 	<ul style="list-style-type: none"> Municipality bought bicycle so that security can patrol the areas, challenge is to pair patrol and police department together.

ANNEXURE M

	<ul style="list-style-type: none"> No crèche in our area Disconnection and reconnection fee are too high. Need clarification on Pensioners rebate? 	<ul style="list-style-type: none"> These fees are being charged by the third party utility management services. Pensioners are Senior Citizens above the age of 65 years and they are given a rebate on a primary resident.
8	Gloria Shwala - Ward 27 <ul style="list-style-type: none"> There are no streetlights We need bridges for pedestrians crossing and speed humps 	<ul style="list-style-type: none"> They have been budgeted for and still in the process of installation. Noted, Falls under IDP
9	Ntomfuthi Mpanza - Ward 9 <ul style="list-style-type: none"> There's no water and light 	<ul style="list-style-type: none"> Water and Electricity departments will attend to it.
10	Londa Mshiyane - Ward 28 <ul style="list-style-type: none"> Municipal by-laws need to protect the value of our properties from those who build shacks next to townships. 	<ul style="list-style-type: none"> As the municipality we don't have power to access the Ingonyama trust areas.

4. CLOSING: Deputy Mayor: Cllr AH Mthembu
